VNSHS' GOLF CLASSIC HONORS JOHN DEFALCO

by Elise Pearlman

John Caffrey, Honoree John C. DeFalco, John A. DeFalco (son) & brother Michael DeFalco

VNSHS' 10th annual Golf Classic was held on August 4 at the Indian Hills Country Club in Northport. The fun-filled event, which began with breakfast and a shotgun start and concluded with dinner and an award ceremony, was attended by 115 golf enthusiasts.

John DeFalco, a certified public accountant who is a tax and financial service partner at Sheehan & Company, was the Golf Classic's Community Service honoree. A specialist in income, estate tax planning and compliance services for high net worth individuals, John has used his knowledge of strategies for wealth accumulation, tax efficient wealth transfers, business succession and retirement planning to serve clients, both here and abroad, for more than 25 years.

John fit the role of honoree to a 'tee.' Despite his busy schedule, John makes a difference by giving back to his community. A lifetime East Northport resident, he has been a member of the East Northport

Chamber of Commerce's Board of Directors for 15 years, and served on numerous committees. He is particularly passionate about serving by example and mentoring young people and is deeply concerned about protecting them from the threat of substance abuse. As a member of the Northport-East Northport Drug and Alcohol Task Force, he is a liaison between the Task Force and the local business community.

For the past 10 years, John has served on the Executive Board of the National Academy Foundation—Academy of Finance Program at Northport High School, one of 22 distinguished academies out of the more than 500 across the nation. The program promotes a multidisciplinary approach to financial literacy beginning at the sophomore level. Through placement in business internships, the elective-based program instills students with the entrepreneurial spirit and confidence while preparing them for employment in the financial service industry. ❤️
